

New Mexico's 2026 Congressional Energy Scorecard

The 2025-2026 legislative session provided us another opportunity to hold Congress accountable for their votes on energy issues.

Through the American Energy Scorecard, AEA is able to educate the public about how their representatives voted on the most important energy votes.

For the full list of votes visit: americanenergyscorecard.org

Senate

Senator	Party	Score
Martin Heinrich* ¹	D	29%
Ben Lujan ¹	D	12%

House of Representatives

District	Representative	Party	Score	District	Representative	Party	Score
1	Melanie Stansbury	D	0%	3	Teresa Leger Fernandez	D	0%
2	Gabe Vasquez	D	21%				

*Indicates the legislator is either not up for reelection, retiring, or lost their primary.
¹ Senate scores are based on all votes taken during their full six year term.
