

Ohio's 2026 Congressional Energy Scorecard

The 2025-2026 legislative session provided us another opportunity to hold Congress accountable for their votes on energy issues.

Through the American Energy Scorecard, AEA is able to educate the public about how their representatives voted on the most important energy votes.

For the full list of votes visit: americanenergyscorecard.org

Senate

Senator	Party	Score
Jon Husted ¹	R	100%
Bernie Moreno ^{*1}	R	100%

House of Representatives
